Information on general student travel grants

Dear students and early-stage researchers,

We are happy to provide financial support to attend the EFEPR 2026 conference.

If you provide:

1. CV
2. Motivation letter
3. Submitted abstract (oral or poster) showing your active participation
4. Recommendation letter + For young postdocs – certificate showing that PhD was completed after 1.1.2024

You will be considered for the EFEPR2026 grant! We aim to support as many students and early-stage researchers as we can.

The committee will pay attention to:

- Gender balance
- Distinguish on equal opportunities: Location/low-income countries
- Students, please also check if you do not have the option to ask directly at their national agencies ([ARPE - France](#), [GDCH – Germany](#), [RSC - UK](#), ...) or university.
- In extreme cases, we will aim to cover the whole conference cost – lodging, registration, travels

Please submit the above documents to the organising company (Dr. Jan Taraba) via email by the end of May at the latest. (jan.taraba@ta-service.cz)

The last opportunity to submit materials and the grant application is May 31, 2026.

We will inform the selected supported individuals both by email and through an announcement on the conference website.

The advisory board has the right to change the conditions if the situation requires it.
